

ART AND CULTURE ARE FOR EVERYONE

AAH takes a holistic approach to the visual arts by exhibiting regional, national and international artists within the AAH walls, and by taking art out into the community through partnerships with local businesses.

EXHIBIT. EDUCATE. EVOLVE.

The Art Association of Harrisburg promotes and encourages the visual arts through art exhibitions and education, enriching the wellbeing of the local community. Established in 1926, the AAH is the oldest fine arts organization in Harrisburg, and is constantly evolving to remain current. Art is the heartbeat of a thriving community, and the AAH does its part to make art easily accessible, relatable and enjoyable to the Greater Harrisburg Area.

Within the arts lies a powerful but largely untapped force for healing. The arts and science are two sides of the same coin, which is our shared humanity. Our ability to live fulfilling, healthy lives depends on bringing these two forces together.
